Dawes,

A fabulous gal, I will always remember you even though I hate you (just kidding) Donna, your personality is really overflowing and I hope you never run out. But I don't have to say that because you have gallons and gallons. "As time goes by" you and I will be getting married and ——.

Anyway you're great and I will never forget the great times we had together, they were really an experience. Donna, I remember in the 5th grade when you and I were such enimies, "how could I ever forget." As you said in my annual It's hard filling up this page well I could tell you all day and all night how much I like being your friend and how much I really like you.

Donna, you don't know how much I will miss you. But I know I'll love White Station Love, one of your best friends
Donna

PRESENTING

AS TIME GOES BY

1958 MUSTANG

Alas! how swift the moments fly!
How flash the years along!
Scarce here, yet gone already by,
The burden of a song.
See childhood, youth, and manhood pass,
And age with furrowed brow;
Time was—Time shall be—drain the glass—
But where in Time is now?

Dedication

to

MR. AND MRS KENNETH A. HOLLAND

To Mr. and Mrs. Kenneth A. Holland, the backbone and spirit of East High athletics, the yearbook staff takes pride in dedicating their 1957-58 MUSTANG. Mr. and Mrs. Holland have spent the last ten years in faithful service and guidance to the school therefore it is very fitting that they should receive full recognition for their years of dutiful leadership, interest and loyalty.

Through these years Mr. and Mrs. Holland have triumphantly led us to many outstanding victories on the athletic field as well as in the classroom, where they have contributed to the furthering of our education in the fields of history and English. Mr. Holland has served as coach since East's doors were opened, and Mrs. Holland has been the encouraging force behind the cheerleaders for these past ten years and was also the hard working sponsor of the newspaper for six years.

This year we wish to pay special tribute to them for adding the extra spark to our athletics with the most successful season in sports East has ever had. With their friendliness and unfailing willingness to help the students on the athletic field, in the cheering section, and in everyday school life, we feel that Mr. and Mrs. Holland will always be remembered in the hearts of us all "AS TIME GOES BY."

To the Seniors

This commemoration I would like to dedicate
To the graduating class of nineteen fifty-eight:
Of course, East High is known by all to be
In every way of quite superior quality;
The seniors this year have certainly attained
Records surpassing many previously maintained.
In the annual Merit Scholarship contest
Four seniors earned the rank of "finalist."
Two members of this prosperous class
Found the N.R.O.T.C. exam easy to pass.
In this new age of missile and satellite
Math and science were stressed both day and night;
It will be indeed interesting to see
Just who the scientists of tomorrow soon will be!
Anxiety caused by the S.A.T. and achievement test
Was long forgot when favorable results were manifest.
Athletically, too, the seniors did quite well,
With teams no other way described but "swell."
No greater sense of spirit was ever displayed
Than at the games these gallant Mustangs played.
I don't believe that I will soon forget
The last football game we won — such regret
To think I'd never again sit with friends
And eagerly see how another season ends!
Basketball this year produced two stirring games
With Central — none but victorious were our aims.
This clamor and excitement I'll often mentally reiterate
And vividly recall a season that was truly great!
As graduation time finally drew nigh,
Everyone greeted it with a gleeful sigh.
But on that glorious long-anticipated day
Many a wistful senior did mentally say:
"Our lamp of knowledge brightly burns;
We owe its light to you.
These days with you will never die
Nor will our love for you."

Drive, Spirit Add to East's

On August 26, 1957, the East High MUSTANGS left for football camp to begin the most successful football season East High has ever had. After much preparation and training, East met its first foe, Tech. It was the first clash of the season for East, and the game was plagued with fumbles and bad breaks. The final outcome was a 14-13 Tech win. East, however, with its spirit high, immediately bounced back to lick Bartlett 20-7. The MUSTANGS began finding the way, for in its next two games, East defeated Millington 28-0 and Humes 26-6.

The Homecoming game with C.B.C. proved to be unsuccessful, but the defiant MUSTANGS played the league champions one of the best games of the season. The score, 27-7, did not show the spirit with which East played throughout the game. The big red and gray squad proved their continuous desire by defeating a powerful Messick team on a rain soaked night, the week after

Homecoming, 21-13. The following Thursday night found the MUSTANGS up for a strong Central team, but the great East squad fell on that night with a 24-7 final score. TANGS walloped Catholic 20-12. Thus, with a five and four record under its belt, the MUSTANGS ended the most successful football season they have ever had. Playing well all year on the front line for the MUSTANGS were seniors, Tex Blair, Charlie Clement, Doug Conaway, Jerry Dumas, Lamar Heiskell, Benard King, Dick Koehn, Kent Merrill, James Ramsey, and James Stoaks. In the backfield senior standouts were Johny Barringer, Ronald Bence, John Brunson, Ted Dungan, Wayne Johnson, Tony McCormick, and Lee Welch.

As East's next game was the last one of the season, the seniors and rest of the team were out for a big victory. The night ended quite successfully when the MUS-

This year's Mustang quintet proved to be an abl and sturdy five, as they finished a strong second plac in the Memphis-Prep League. Balanced scoring and sturdy defense comprised the nucleus and backbone o the hardworking team.

Injuries and sickness hampered the Mustangs throughou the year and ruined its bid for the title. Standout senio Lee Welch, Dick Koehn, and newcomer Bob William provided the experience, while juniors, Ronnie Dav

Arnold and Phil Weinin contributed much to the power packed Mustangs til they dropped out with simultaneous injuries early the season. Marshall Criss, endowed with unusual sketball poise for a sophomore, fought his way to a rting position early in the season but was plagued an ankle injury in the last part of the season.

Roundup '58

Since the publication of the first *Mustang Roundup* in 1948, the purpose of the school newspaper has been to keep the students, faculty, and alumni up to date on the activities accomplishments, and feelings of the school itself. The staff members are constantly on the lookout for new ideas to better their paper. A new method of selling issues was introduced in 1956, and it has been carried over into this year. Fourteen issues plus the April Fool paper are included in the student subscription. The *Roundup* is self supporting, and it is financed completely by the subscriptions and by advertisements from business concerns in Memphis.

PRESIDENT
Charles Clement

The East High Student Council was ready and waiting for the beginning of school, eager to help with registration. Soon after school started, we were privileged to have the Honorable Frank Clement, the governor of Tennessee, speak. His appearance was the first in a series of programs on citizenship. Other types of programs were held during the year. In October, an assembly was held presenting the purposes and requirements of the extracurricular clubs and activities. Early in November, two members of our Student Council, Sue Golden and Paul Meacham, traveled to Arlington, Virginia to participate in the convention of the Southern Association of Student Councils.

Many happy but tedious hours were spent in the redecorating of our Student Council room. Our pride and joy is now the beautiful picture of East High which adorns one wall.

BOYS' VICE PRESIDENT
Paul Meacham

With the Christmas holidays came Christmas letters for the representatives, monitors, and faculty. On the second day of 1958, East High students were delighted to return to school to see colorfull posters seriously urging them to study.

In March the elections for next year's Student Council were held. The halls were gaily decorated with posters and slogans of the Red and Gray parties. The new officers will carry on the fine work of this year's Student Council.

Our Appreciation . . .

Good bye, school! Good bye, kids! We have now reached the end of this, our attempt at summarizing one year of our education, and we wish to thank everyone who has contributed to the publication of this annual. We especially wish to offer our gratitude to the teachers who have helped us immensely and have been very generous in the giving of their time and knowledge to further the success of this annual. Last, but uppermost in our minds, we want to thank you, the student body of East High School, for the support and co-operation you have so willingly given.

— THE 1958 ANNUAL STAFF

Donna -

Please say a little prayer for me, as I will be with your sister at S.M.U. next year. Good luck and best wishes to you in all that you do.

To Donna,

You are one of the cutest 8th graders I know. You have a great personality. It really has been great knowing you this year & I hope we can be friends for years to come. Just stay like you are and you will always have many, many friends.

To Donna

You are a fabulous ~~[illegible]~~ girl with the personality to match. I really think a lot of you and Carolyn. Really someday I hope you will make cheerleading. Stay the wonderful Christian girl you are and you'll always have friends. As you probably know you are a little sister of the best sorority, Phi Sig. You'll never know how much I would love to have you as a sister in E.Z. Don't ever do anything that I wouldn't (that leaves you a wide field to choose from). I guess I have said enough. I know you must want your annual back. The way you keep looking over there. So —

Donna,
Well, be prepared for a book!
As you said in my annual, we've known each other for a long time (and I hope we'll keep on being friends for a long time - seriously!)
I'm not going to write a whole page on ΣKE (it wouldn't be hard at all) but I just want to say once how much I want you in ΣKE! (You'll be hearing it a lot more for the next two years.)

I've always thought you were the best in everything you ever did and I know that you always will be. I remember when you and Jeff liked each other (unmentionable) and how happy I was!! It just shows Jeff knows how to pick the cream of the crop.

Remember ΣKE,

Donna —

We have known each other for a long time and I hope our friendship will last even longer. We have had many good times together and I hope that they will double. Donna, you really don't know how I have enjoyed knowing you. When I come over over to your house I feel like I'm at home, that is not the fighting, but just knowing everybody as well. Jeff was once your real love, but I got to see him come and go. Of course there was dear ole Bill Thompkard, but of course he went too. But now there is Ed — just Ed. I hope you and Ed stay together as long as you want and I hope you have many good times with him through the years. I have really enjoyed being in your class at school and hope we will be together again before we finish high school. I hope you make real good grades in the 8th, 9th, 10th, 11th, and 12th grade so that we can keep you here at last, and not have to send you to Lausanne.

Keep your winning smile and personality and you will obtain many friends.

Donna,

This is going to be very hard for me. But here goes! Donna I don't think I can put in words how much fun it has been knowing you. I am going to be in your room next year and the next after that. Donna I want so to get better and better friend. Donna all I can said is I want so much you and Ed to stay the way you'll are now and go to gether (misspelled) allong time. You know that I have know Ed since a little, little girl. (HA!) I can remember when Ed and I used to have fence fights. Well. I just ran out of ink (so I have to use this color.) Donna I guess I have said my piece so I will close.

I just want to wish you best of Luck through years to come.
